New Shuttle Service from Kahului Airport to Resort Areas on Maui

HONOLULU – Visitors to Maui will be able to use a new shuttle service from Kahului Airport to West Maui and Wailea starting this weekend. It will be another ground transportation option for travelers to consider while visiting the Valley Isle. Maui is still experiencing a rental car shortage.

The new “Maui ALOHA Shuttle” is the result of collaborative interagency meetings convened by the Hawai'i Tourism Authority (HTA) and the Hawai'i Department of Transportation, in partnership with the Maui Visitors and Convention Bureau (MVCB) and Polynesian Adventure Tours.

This effort is a part of HTA's [Maui Nui Destination Management Action Plan](#) (DMAP), published in March, and created by Maui County residents. Action F in the Maui section calls for HTA to develop and promote initiatives to improve the experience of transportation and ground travel.

It will cost passengers heading to Wailea \$35 one-way for adults, \$20 for children 4-12 years old, and free for children 3 and under. Visitors who want to ride the shuttle can purchase their ticket at the airport counter located in the baggage claim. Once they purchase a ticket, they will be directed to the Group Arrival loading zone stall #4.

This shuttle service will provide a ride back to Kahului Airport. Visitors are encouraged to make arrangements for their return trip to the airport through their hotel concierge desk or online at www.polyad.com.
